

LEONARDO HELICOPTERS

ESSENTIAL PLAN

INTRODUCTION

The new range of Leonardo Helicopters Service offerings consist of:

- **4 new Service Plans**, focused on different levels of customer operational needs
- **Service Level** with committed performance guarantee.

Multiple combinations available, **providing customers with flexibility and a clear solution to their support needs.**

SCOPE OF COVERAGE

The Essential Plan provides:

- **A Logistic Support Guarantee covering all major components of the helicopter.**

For such major components, the plan provides repair, overhaul, replacement and/or exchange of parts including Life Limited parts and Time Between Overhaul parts.

Coverage extends to scheduled and unscheduled events, enhancing Customer aircraft availability, reducing inventory costs and optimizing R&O expenses.

COVERED COMPONENTS

- Main Gearbox
- Intermediate Gearbox
- Tail Rotor Gearbox
- Main & Tail Servos
- Swashplate Assembly
- Main & Tail Rotor Hub Assembly
- Main & Tail Rotor Blades
- Hydraulic Pumps
- Starter Generators
- Nose Landing Gear
- Main Landing Gear.

COMPONENTS & ITEMS EXCLUDED

- Labour for scheduled and unscheduled/on-condition maintenance
- Any costs attributable to abuse or misuse of the aircraft
- Transportation charges
- Fuel, lubricants and consumable materials
- Tools and Ground Support Equipment.

SERVICE LEVEL

- An AOG service with 24 hours' ex-work delivery
- A transparent and guaranteed Service Level, measured as delivery time and delivery schedule adherence
- Refund if the Service Level is not adhered to the agreement.

PAYMENT METHOD

Pay By Hour guarantees a fixed cost per flight hour, with insurance on covered components. The price doesn't vary, no matter how many times the component is changed – regardless of maintenance frequency.

Leonardo Helicopters is committed to developing and expanding its Customer support solutions to meet their needs.

We always welcome discussions with our current and potential Customers to help us in delivering solutions focused on their operational needs.
